

Tax-exempt Earned Income Information for a Pooled Registered Pension Plan

Protected B
when completed

Starting in 2013, for the purpose of contributing to a pooled registered pension plan (PRPP), the *Income Tax Act* allows tax-exempt earned income by an Indian (as defined by the *Indian Act*) to be included in the calculation of his or her non-deductible PRPP limit for the year.

Complete this form and attach it to your return, if you are an Indian (as defined by the *Indian Act*) and you have earned income that is tax-exempt. This will allow the Canada Revenue Agency to calculate your non-deductible PRPP room that you have to make non-deductible PRPP contributions on your tax-exempt earned income for the 2014 tax year.

For a complete description of the guidelines and examples where income is tax-exempt and where it is taxable, go to www.cra.gc.ca/aboriginalpeoples.

For more information about PRPPs, go to www.cra.gc.ca/tx/ndvdl/tpcs/prpp-rpac/menu-eng.html.
